Lisa Coleman is driven to work with other business people in the community to attract and retain quality jobs in Louisiana. As President of Westaff in the Baton Rouge and Lake Charles area, Lisa knows how often the quality of one's life is affected by their career path.

The goal at Westaff is to provide its clients with high quality temporary, temp to hire and career staffing. In 2005, Westaff is moving its offices to Bon Carre in Baton Rouge and opening new offices in Livingston Parish and Lafayette. As the company continues to expand, Westaff's pledge to continue the tradition of integrity, honesty and fairness in all business relationships will not be compromised.

"At Westaff we are proud to employ so many in the Louisiana Capital Region and to give back to the communities in which we serve," said Coleman.
